

SAFER STREETS

EVIDENCE DOCUMENT

Welcome to our evidence document for the Safer Streets project. This document serves as a dynamic showcase of our efforts to engage with local communities and address anti-social behaviour concerns. Here, you will find a wealth of information that demonstrates the impact and reach of our project.

Throughout this document, you will encounter:

- Interactive Sway documents capturing real-time conversations with local residents
- Photographic evidence of the communities we're engaging with
- Links to videos showcasing our work on the ground
- Access to our newly redesigned website for further information and more!

Our aim is to provide you with a transparent and engaging view of our commissioned work.
